OUR ROLE IN BUILDING & PROMOTING PROSPEROUS INDIA

The 'Viksit Bharat 2047' agenda is a comprehensive vision plan by the Government of India, aiming to transform India into a developed nation by the year 2047, marking the 100th anniversary of its independence. Hon'ble Prime Minister, Shri Narendra Modi Ji in his address to the Governors of State and Vice Chancellor and Directors of Universities and Higher Education Institutions called the students, teachers and Head of the Institutions/Universities to participate and contribute in India's Bold, Ambitious and Transformative Agenda of Viksit Bharat@2047.

India is at a turning point in its history. The 21st century will be India's century, as the country pole-vaults into the future confident of its capabilities. At present, it is the 5th largest economy in the world today and will be the world's 3rd largest economy by 2027, as its GDP crosses US\$ 5 trillion (IMF estimates).
